Playground Update

One of the biggest projects for the Partners Involved in Education (PIIE) right now is the Playground Rebuild project. We have a dedicated committee working on project planning and fundraising to span multiple phases of this project that will ultimately lead to a new, inclusive community playground and outdoor recreation space for New Sarepta Elementary and the surrounding area. Check out the Playground Rebuild Roadmap pinned on our Facebook page at facebook.com/nsespiie for the latest update. If you're interested in helping on the committee or learning more about supporting the project, reach out to nsespiie@gmail.com.
