

May 17th, 2019 School based PD Day

School: New Sarepta Elementary

PD Goal:

Staff will:

1. Participate in a KAIROS Blanket Exercise
2. Create the goals for our school's 2019/20 Three Year Education Plan

What data are you using to focus on this goal?

Knowledge of First Nations, Métis and Inuit ways of knowing, culture and history is a new component to the Teacher Quality Standard starting next year and as a staff we are growing in this area.

To create our three year education plan, we will use class-based data such as literacy and numeracy results, as well as the Our School and PAT results, to guide the direction for our Three year Education Plan next year.

PD Activit(y)ies:

1. Staff will work collaboratively to create our school's 2019/20 Three Year Education Plan
2. Staff will participate in the KAIROS Blanket Exercise.

Division Alignment:

- ✓ FMNI
- ✓ Numeracy, Math, Literacy, Reading and Writing
- ✓ Student achievement
- ✓ Teacher efficacy

Success Indicators:

As a staff we will be successful if we create next year's Three Year Education Plan and if staff leave the KAIROS Blanket Exercise with a better understanding of First Nations, Métis and Inuit ways of knowing and history.
