Dear Black Gold parents/guardians and caregivers,

Two important surveys are coming your way! You will soon receive Alberta Education's "Annual Assurance Plan Survey" for grades 4, 7, and 10. We encourage you to complete this survey as it helps drive our educational plans.

In mid-January, we will deliver a separate "Check-up and Check-in" survey to get your insights into the quality of education in your local schools. The Black Gold School Division has retained the services of Dialogue Partners - a nationally recognized firm specializing in community engagement - to administer an independent survey and focus group discussions with our rural school communities.

The survey will be shared with all parents/guardians and community members of our K-12 schools in Calmar, New Sarepta, Thorsby, and Warburg. The survey questions were developed specifically for our context and we hope that we can have as many school community members as possible complete this survey.

Your insights are valuable and matter greatly in shaping your child's education. We will be using your feedback to help us plan for the future. Please stay tuned for more information.

Sincerely,

Bill Romanchuk,
Superintendent of Schools/CEO
